A Message To Our Sponsors:

The Lighthouse Establishment Cinema would not be possible without the support of our sponsors. We have several levels of sponsorship to fit your budget. Your message will be brought to the audience attending the seven showings and in print and online. The LHEC has received statewide attention because of the unique nature of the event. Texas Monthly recognized it as *"one of three reasons to get in your car and go!"* The LHEC was developed to grow traffic to and public awareness of the community of Port Isabel and has been very effective. The public is invited to enjoy these admission free events thanks to the Museums of Port Isabel, the City of Port Isabel, the Port Isabel Economic Development Corporation and our generous sponsors!

Now in its sixth season, the 2010 **Lighthouse Establishment Cinema** wants your participation in our movie selection survey! See the movies choices on the back page or go online at www.portisabelmuseums.com to fill out the survey online.

BACKGROUND:

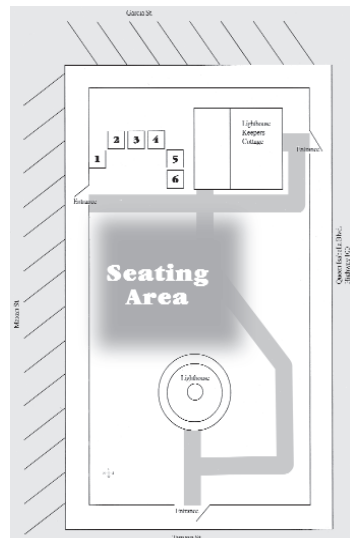

The Light House Establishment Cinema is a namesake of the U.S. Light House Establishment, which became a branch of the Coast Guard in 1939. The USLHE was established in 1789 to oversee the colonial lighthouses, and later the Point Isabel Lighthouse when it was constructed in 1852.

Over a century and a half after the construction of the Point Isabel Lighthouse, we can still enjoy the beauty of its architecture and the spectacular 16 mile view it offers from the top. Taking advantage of the canvas the lighthouse offers, the City of Port Isabel invites you or your group to participate in a truly historic project!

On Friday, June 18, 2010, we will be hosting the first of 7 scheduled movie showings in the Point Isabel Lighthouse State Historic Site in LHEC's sixth season.

To the right is a map of the lighthouse grounds. Seating will be available in the area indicated. Concessions are situated to the left of the north park entrance. Sponsors will be able to pass out information, coupons or other materials during the movies.
